Summer Sessions Code of Conduct

Treat others how you want to be treated.

Treat all equipment like it is your own.

Do not talk back to instructors.

No noodling (playing your instrument or talking during instruction).

No food, drinks or candy in performance halls or practice rooms. Water is allowed. Please put all garbage in the downstairs garbage.

Do not leave the premises without an instructor.

No cell phones

No negative attitudes or lack of participation.

No drugs, alcohol, or smoking (no exceptions).

Watch your language.

As part of a team, each engineer must attend class every scheduled day. Absences must be approved ahead of time by your instructor.

Musicians and Parents:

The NYSM Summer Sessions experience has ALWAYS ended with happy campers. Though some engineers may take a couple days to get comfortable, please keep an open mind and know that we make the best decisions possible for everyone involved at all times. It is very helpful to our staff if engineers are willing to try new things, compromise with their class mates, and respect the decisions of their directors, who are well trained professionals in their field.

We also ask that parents do not attend ANY rehearsals so that the final performance can take full effect!

This ensures a fun and successful session!

These rules apply during on and off campus activities.
Any engineer unable to follow these rules may face expulsion from camp.
(NO REFUNDS)
